Notes:-

- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at the meeting held on February 12, 2019. The Statutory Auditors have carried out limited Review of the Standalone Unaudited Financial Results of the Company as per the requirements of SEBI (Listing and Other Disclosure requirements) Regulations, 2015.
- The Company carries out its business ventures through various entities. The funds required for projects in those entities are secured through financial guarantees of the Company. The bankers / financial institutions provide a restrictive covenant while lending, not to charge guarantee commission for the financial guarantees provided by the Company. As per Ind AS 109 - "Financial Instruments", there has to be fair valuation of the financial guarantees and subsequent measurements thereof as per expected credit loss method. However, considering the restrictive covenants and its model of execution of the projects through such entities, the Management is of the opinion that there cannot be fair valuation of the financial guarantees issued aggregating Rs. 390,052.00 lacs.
- The Company has investments in certain subsidiaries and associates aggregating Rs. 38,770.88 lacs and loans and advances outstanding aggregating Rs. 80,896.35 lacs as at December 31, 2018. While such entities have incurred losses and have negative net worth as at March 31, 2018, the underlying projects in such entities are in the early stages of real estate development and are expected to achieve adequate profitability on substantial completion and/or have current market values of certain properties which are in excess of the carrying values. The Company considers its investments and loans in such entities as long term and strategic in nature. Accordingly, no provision is considered necessary towards diminution in the value of the Company's investments in such entities and for expected credit losses in respect of loans and advances advanced to such entities, which are considered good and fully recoverable.

- 4 Note on "Control" of the Company in Marine Drive Hospitality & Realty Private Limited (MDHRPL):
- Total 24,70,600 nos. of ROCCPS Series A and 29,415 nos. of ROCCPS Series C of MDHRPL held by the Company amounting to Rs 2,252.88 lacs has been attached by an attachment order issued by adjudicating authority under Prevention of Money Laundering Act (PMLA) and therefore, all the rights of the Company as a shareholder have been suspended till the time attachment continues. Therefore, the Company is of the view that the aforesaid shares can not be considered while applying the test of "Control" on MDHRPL.
 - The Company is presently holding 92,600 nos of CCCPS - Series C. The CCCPS - Series C which shall be convertible, in part or full in the ratio of 1:100 viz. 100 (One Hundred) fully paid up new Equity shares of Rs. 10/- each against 1 (one) CCCPS - Series C of Rs. 10/- each held by the Company. As per existing terms, the latest date of conversion of the aforesaid CCCPS - Series C is July, 2018. However, this being strategic investment, the Company has decided not to exercise the option of conversion.
 - In addition to the above, the Company is presently holding (i) 1,88,216 nos. of ROCCPS - Series C and (ii) 74,443 nos. of CRCPS, which are having option of either redemption or conversion on different dates up to March, 2021. As on date, the Management has decided not to opt for conversion of aforesaid shares.
 - The Company has not nominated any director on the Board of MDHRPL and MDHRPL has Investor shareholder who is exercising power through affirmative voting right on all material decisions pertaining to the business of MDHRPL in accordance with executed Agreement read with existing Article of Association of MDHRPL.

On the basis of the above facts, the Management is not having effective control over MDHRPL. In view of the same, equity instruments of MDHRPL are measured at fair value through other comprehensive income based on irrevocable designation at inception.

- In respect of a project under development having a value of Rs. 3,517.59 lacs (forming a part of inventory) the Bombay High Court has ordered payment of money under the award as and by way of part compensation of Rs. 723.88 lacs towards land acquisition (included under other current liabilities). The Company also expects to recover amounts paid to other parties towards the project. Pending outcome of the matter, no adjustments have been made in the accounts in this regard.
- Based on the guiding principles given in Ind AS 108 "Operating Segments" prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India, the Company is mainly engaged in the business of real estate development viz. construction of residential / commercial properties in India. As the Company's business falls within a single primary business segment, the disclosure requirements of Ind AS 108 in this regard are not applicable.
- During the period, following omission is observed which relates to previous year. As per the requirement of Ind AS-8 "Accounting Policies, Changes in Accounting Estimates and Errors", impacts of these errors are given in the comparative financial statement and the financial preceding prior to the previous financial year. Impact of such transactions and other details are as described hereunder:
During FY 2017-18 valuation of Investment of Rs. 1,153.58 lakhs was omitted to be included in the financial of that year. Now, the same has been included in the comparative results of FY 2017-18 by restating the required figures and affected line items of the financial statement. Hence, Other Income has been increased by Rs. 1,153.58 lacs, deferred tax income is reduced by Rs. 239.95 lacs and Investment has been increased by Rs. 1,153.58 lacs in 2017-18 and profit for the year has been increased by Rs. 913.63 lacs net of Deferred tax 239.95 lacs.
- Figures for the previous quarters/period/ year are re-classified/re-arranged/re-grouped wherever required.

To the Board of Directors

D B Realty Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of D B Realty Limited ('the Company') for the quarter ended December 31, 2018 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Section 133 of Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. BASIS OF QUALIFICATION

As stated in Note 2 to the Statement regarding non recognition/ re-measurement of financial guarantees aggregating Rs. 390,052.00 lacs issued to banks/ financial institutions on behalf of various entities at fair value as required under Ind AS 109 - 'Financial Instruments'. In absence of measurement of financial guarantees at fair value, we are unable to comment on the effects on the loss for the quarter ended December 31, 2018.
 - b. As stated in Note 3 to the Statement regarding non-evaluation of impairment provision for expected credit losses in accordance with Ind AS 109 - 'Financial Instruments', for loans and advances aggregating Rs. 60,696.35 lacs and Investments aggregating Rs. 36,770.88 lacs respectively on December 31, 2018 to certain subsidiaries and related parties which have incurred losses and have negative net worth as on March 31, 2018.

As stated in Note 4 to the Statement regarding non-measurement of its investments in equity instruments of one of its subsidiary company at fair value through other comprehensive income which the Management has not considered as a subsidiary. Had it been treated as a subsidiary, then as per accounting policy, it should be measured at cost. Consequently, investments in these instruments and other equity (other comprehensive income) are higher by Rs. 13,787.06 lacs and Rs. 10,919.35 lacs (net of tax) respectively as on December 31, 2018.

- The above results have been reviewed by the Audit Committee and approved by the Board of Directors at the meeting held on February 12, 2019. The Statutory Auditors have carried out Limited Review of the Standalone Unaudited Financial Results of the Company as per the requirements of SEBI (Listing and Other Disclosure requirements) Regulations, 2015.
- The Company carries out its business ventures through various entities. The funds required for projects in those entities are secured through financial guarantees of the Company. The bankers / financial institutions provide a restrictive covenant while lending, not to charge guarantee commission for the financial guarantees provided by the Company. As per Ind AS 109 – "Financial Instruments", there has to be fair valuation of the financial guarantees and subsequent measurements thereof as per expected credit loss method. However, considering the restrictive covenants and its model of execution of the projects through such entities, the Management is of the opinion that there cannot be fair valuation of the financial guarantees issued aggregating Rs. 390,052.00 lacs.
- The Company has investments in certain subsidiaries and associates aggregating Rs. 36,770.88 lacs and loans and advances outstanding aggregating Rs. 60,696.35 lacs as at December 31, 2018. While such entities have incurred losses and have negative net worth as at March 31, 2018, the underlying projects in such entities are in the early stages of real estate development and are expected to achieve adequate profitability on substantial completion and/ or have current market values of certain properties which are in excess of the carrying values. The Company considers its investments and loans in such entities as long term and strategic in nature. Accordingly, no provision is considered necessary towards diminution in the value of the Company's investments in such entities and for expected credit losses in respect of loans and advances advanced to such entities, which are considered good and fully recoverable.
- Note on "Control" of the Company in Marine Drive Hospitality & Realty Private Limited (MDHRPL):
 - Total 24,70,600 nos. of ROCCPS Series A and 29,415 nos. of ROCCPS Series C of MDHRPL held by the Company amounting to Rs 2,252.88 lacs has been attached by an attachment order issued by adjudicating authority under Prevention of Money Laundering Act (PMLA) and therefore, all the rights of the Company as a shareholder have been suspended till the time attachment continues. Therefore, the Company is of the view that the aforesaid shares can not be considered while applying the test of "Control" on MDHRPL.
 - The Company is presently holding 92,600 nos of CCCPS – Series C. The CCCPS - Series C which shall be convertible, in part or full in the ratio of 1:100 viz. 100 (One Hundred) fully paid up new Equity shares of Rs. 10/- each against 1 (one) CCCPS – Series C of Rs. 10/- each held by the Company. As per existing terms, the latest date of conversion of the aforesaid CCCPS – Series C is July, 2018. However, this being strategic investment, the Company has decided not to exercise the option of conversion.
 - In addition to the above, the Company is presently holding (i) 1,88,215 nos. of ROCCPS - Series C and (ii) 74,443 nos. of CRCPS, which are having option of either redemption or conversion on different dates up to March, 2021. As on date, the Management has decided not to opt for conversion of aforesaid shares.
 - The Company has not nominated any director on the Board of MDHRPL and MDHRPL has Investor shareholder who is exercising power through affirmative voting right on all material decisions pertaining to the business of MDHRPL in accordance with executed Agreement read with existing Article of Association of MDHRPL.

On the basis of the above facts, the Management is not having effective control over MDHRPL. In view of the same, equity instruments of MDHRPL are measured at fair value through other comprehensive income based on irrevocable designation at inception.
- In respect of a project under development having a value of Rs. 3,517.59 lacs (forming a part of inventory) the Bombay High Court has ordered payment of money under the award as and by way of part compensation of Rs. 723.88 lacs towards land acquisition (included under other current liabilities). The Company also expects to recover amounts paid to other parties towards the project. Pending outcome of the matter, no adjustments have been made in the accounts in this regard.
- Based on the guiding principles given in Ind AS 108 "Operating Segments" prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India; the Company is mainly engaged in the business of real estate development viz. construction of residential / commercial properties in India. As the Company's business falls within a single primary business segment, the disclosure requirements of Ind AS 108 in this regard are not applicable.
- During the period, following omission is observed which relates to previous year. As per the requirement of Ind AS-8 "Accounting Policies, Changes in Accounting Estimates and Errors", impacts of these errors are given in the comparative financial statement and the financial preceding prior to the previous financial year.
